

Out of Hours Emergencies:

We will do everything possible to ensure that our system for contacting the duty doctor is easy to follow, reliable and effective.

Waiting Times:

- Surgeries will normally start on time.
- We expect patients to be seen within **twenty** minutes of their appointment time, and in the event of a delay we will offer an explanation.
- When a doctor is called away on an emergency we will inform the patients and give them an opportunity to book an alternative appointment, or if preferred, to be seen by another doctor.

With these rights come responsibilities and for the patients this means:

- Courtesy to the staff at all times - remember they are working under doctors' orders.
- Responding in a positive way to questions asked by the reception staff.
- To attend appointments on time or give the practice adequate notice that they wish to cancel. Someone else could use your appointment!
- An appointment is for one person only - where another member of the family needs to be seen or discussed, another appointment should be made.
- Patients should make every effort, when consulting the surgery, to make best use of nursing and medical time - home visits should be medically justifiable and not requested for social convenience.
- When patients are asked to give 2 working days notice for repeat prescriptions, please give us this time, as it is to allow for accurate processing of the prescription.
- Out-of-hours calls (e.g. evenings; nights & weekends) should only be requested if they are felt to be truly necessary.
- Patients under the influence of alcohol will not be seen as the effectiveness of the consultation is compromised by this.
- Please remember, you are responsible for your own health and the health of your children. We will give you our professional help and advice. Please act on it. The doctors in the practice feel that it is vitally important that all children are up to date with their childhood immunisations, unless there is a medical reason for their omission.

With a Practice Nurse: For routine appointments we will offer an appointment within five working days.

If there is a delay in the appointment wait (when you arrive) of more than 20 minutes we will let you know.

We are happy to update you on any delay situation if you feel that you have been waiting too long.

We are unable to guarantee a specific doctor will visit you as this depends on availability and other factors. The decision to home visit will be at the doctors' discretion.

Safeguarding:

As a Practice, we have a duty of care to protect the children and adults we work with and for. Our staff will respond quickly and appropriately were a safeguarding concern is suspected or allegations are made. When necessary, we will share information with the local Safeguarding Unit.
