Dear PPG Chair

Re: Planning for the future- Primary Care

We are holding two events for PPG members to allow you to understand more about the proposed outline plans for Primary Care.

As you will probably know as of April 2015 we took on co-commissioning responsibilities for Primary Care meaning that we are working more closely with our GP Practices to ensure that they are providing the services that our patients need.

You may also know about some of the pressures that are facing Primary Care including difficulty in recruiting GPs. This has led to us pulling together a document detailing what our aims are for the future of Primary Care.

We have already asked for the views of staff at our GP Practices and now we are keen to talk to you to see what you think and to help you understand why the role of PPGs is so important.

There are two events, one in the day and one in the evening in two different venues to allow as many people as possible to attend. You will find details of the events below.

Tuesday 9th February

6.30pm-8.30pm
Strutts Centre
Belper

Tuesday 16th February

1pm- 3pm
YMCA
Derby

Please confirm your place by emailing enquiries@southernderbyshireccg.nhs.uk or calling 01332 868730.

Yours faithfully

Claire Haynes
Engagement Manager
