

Are you a **British-Pakistani Woman**?

Have you recently had **Gestational Diabetes** (*Diabetes in Pregnancy*)?

I'm a doctoral researcher at Warwick Medical School looking into the experiences of British-Pakistani women with Gestational Diabetes to help improve their care and health outcomes.

- Are you a British-Pakistani woman?
- Are you over 18 years old?
- Have you had Gestational Diabetes within the past 3 years?

Share your experience!

What is involved?

- One to One confidential interview about your experience.
- Takes up to 1 hour
- Interview can be done in English, Urdu or Pothwari (*other languages may be requested*).
- Online, telephone or in-person at flexible times.

You'll receive a
£25 Gift Voucher!
